appointed by

and the Public Health Nurse were posted by the Director of  
Public Health. The Chief Medical Officer of Women's Hospitals  
has posted one midwife and the posts of the remaining two mid-

of Mr. K. R. Venkatesan and Mr. K. Ramanujiengar as Health

22nd March 1945 and L.6822-V.P.43-44-25 dated 19th January 1945 respectively.

As regards the clerical establishment, my predecessor in office, Mr. P. H. Krishna Rao, in the absence of an approved list of candidates assigned to the Board Office, had to draft from Revenue and other Departments, experienced hands with knowledge of rules and office procedure pertaining to Local Bodies, in order to start the newly established office of the Board, leaving the vacancies which arose therefrom in the concerned departments, to be filled up in accordance with Public **Service** Rules. Such procedure is obtaining in the newly started departments like Food Supply Department etc. The appointments thus made were reported to the Board for approval. The Board at its meeting held on the 26th March 1945, resolved that the appointments made be approved and reported to Government. An extract of the resolution is herewith sent.

I request that approval of Government to the appointment of officials made in the Board office and noted in the enclosed list may kindly be obtained and communicated early.
